Resolution submitted to the Annual Meeting of the National Rifle Association, 28 May 2022, by John P. Richardson of Arden, North Carolina, Endowment Life Member No. 14280390.

Whereas, The NRA Headquarters Building located at 11250 Waples Mill Road, Fairfax, Virginia serves as a visible beacon and symbol of our organization's strength and resolve in defense of the Second Amendment; and

Whereas, it is vital that the NRA Headquarters Building through its external and internal condition accurately project that image of strength and resolve; and

Whereas, there are numerous and substantiated accounts that the NRA Headquarters Building is in poor repair, with a leaking roof causing internal water damage, missing and damaged tiles in the entrance way, rusting window framing staining the exterior, and visible patches due to water damage; therefore, be it

Resolved, That the members of the National Rifle Association of America, here gathered at the Annual Meeting of Members in Houston, Texas on this 28th day of May, 2022, do hereby call on the NRA Board of Directors to expeditiously engage an independent, commercial building inspector to prepare a report on the physical condition of the NRA Headquarters Building including recommendations and estimated costs of prescribed work, and that the Board of Directors report to the members, as soon as possible, regarding what corrective action has been taken, or is being planned to be undertaken.
