PRESS RELEASE

September 14, 2023:
Carson City, Nevada.

Bushmaster® Firearms is sorry to hear about the closing of Windham Weaponry.

It's a loss to the industry, and we are saddened by any of our associates losing the capacity to stay in business.

We here at Bushmaster® Firearms are working hard to bring back the reliability and the quality that made the Bushmaster® name great, just like Windham Weaponry.

If there are any employees of Wyndham Weaponry who wish to continue in the industry, we currently have some job openings available.

Bushmaster® Firearms Industries, Inc. is seeking candidates for specialist positions in our Carson City, Nevada facilities.

Positions needed include:

- Mechanical Design Engineer 1.
- Mechanical Design Engineer 2.
- Quality Control Manager.
- Armorer.
- Digital Marketing Assistant.

Positions vary but all Bushmaster Employees Qualifications must include :

- In-depth knowledge of semi-automatic AR-style rifles.
- Must be drug-free.
- Must be legally able to work with firearms.
- Must be present in regular attendance and have a flexible work schedule.
- Carson City, NV 89706: Reliably commute or planning to relocate before starting work (Required). A \$5,000 Moving / relocation compensation is available to the right applicants.

Send resumes and your information to info@bushmaster.com.
