

MR. PAUL D. BABAZ
ATLANTA, GEORGIA

Paul Babaz is an NRA Benefactor member running by petition. As a lifelong collector, competitor, hunter, and staunch Second Amendment advocate Paul has shown his commitment to the NRA goes beyond donations—he is an active supporter of The NRA Foundation, member of the Hunters' Leadership Forum's President's Club and is a past-Chairman of *Friends of the NRA* Piedmont Committee. He currently serves on the NRA's Hunting & Wildlife Conservation Committee. As a U.S. Army Veteran, Paul is passionate about preserving our Second Amendment freedoms for generations to come and believes youth outreach is paramount as well uniting ALL gunowners to protect our freedoms. Unless we unite, we risk allowing the antis to erode our rights while we fight amongst ourselves! We are stronger together, whether you are hunter, casual plinker, clays shooter, or 3-gun competitor!
